

**In the Specification:**

On page 5 after line 3, please insert the following heading and paragraphs:

**--Brief Description of the Drawings**

Figure 1 shows the rate of release of leuprolide acetate from a blend of polycaprolactone and glycerol monostearate.

Figure 2 shows the rate of release of alkaline phosphatase from a blend of polycaprolactone and glycerol monostearate. The released alkaline phosphatase is measured in terms of active phosphate, and total protein content by amino acid analysis and A280.--
